PLASTIC WASTE AUDIT due WED – see directions below

How to conduct your plastic waste audit:

1. Collect <u>all</u> plastic waste from home today through Wednesday morning that would either be recycled OR thrown into the trash. This includes, but is not limited to:
    a. Ziploc bags, Saran wrap, grocery bags, food containers, water bottles, plastic utensils, snack bags, etc.
2. Rinse the plastic item if it has leftover food in it or will turn smelly in 2 days.
3. Bring plastic waste to school in a bag on **Wednesday, Feb 27th** to be counted and recorded. Be sure to put your name on the bag so you know which waste is yours.
    a. If you want to bring your plastic waste to school tomorrow AND Wednesday because you have a lot or don't want to carry a large bag on the bus Wednesday morning, you can! Place your bag – make sure your name is on it! -containing the plastic waste into large bin in hallway on Tuesday and Wednesday mornings.
4. After participating in **"It All Adds Up!"** Expedition, we will conduct another plastic audit at home and at school to show how your reduction in plastic use **"adds up!"**
