

Team PHOENIX Homework
Date Tuesday, October 30

ABSENTEES need to check mailbox for all handouts and be sure that they are glued into the appropriate notebook to be prepared for returning to classes. You are responsible to TURN IN all missed work one day, plus one additional day, after your absence. If you are absent 3 days, everything is due on day 4.

2018 Halloween Costume Guidelines

Halloween costumes are permitted to be worn to school Wednesday 10/31. Below are the guidelines administration has set to ensure everyone has a safe and fun day. You may choose to dress in costume if you'd like, otherwise regular SA uniform is required.

1. No masks, no hoods or anything that covers your face. Why? Because we need to be able to recognize you immediately as someone permitted in the building (for safety reasons).
2. No full-face make up (same reason as #1).
3. No weapons of any kind, sharp objects or props are permitted. Again, safety reasons.
4. No inappropriate logos or sayings (this includes politics).
5. Costumes must be culturally sensitive.
6. No lingerie.
7. No inflatable costumes
8. Normal dress down rules apply: no flip flops, no mesh or see-through clothing, no ripped jeans, and shorts and skirts must be an appropriate length.

If you are unsure about a potential costume option meeting requirements, please be sure to speak with an administrator prior to Wednesday 10/31 for clarification.

Writing: Students responded to a writing prompt and wrote a character sketch based on a person with a contradiction.

HW: Finish classwork

Reading: checked p. 69 and started working on 74-75. Discussed questions and how to answer.

HW: finish 74-75

Math: Today students started reviewing for the UNIT TEST which is scheduled for Thurs/Fri.

HW: Period 1 still needs to complete page 159 (in class) all others reviewed those problems. ALL - STUDY the math vocab in this unit. Study tonight! Trick or Treat tomorrow night.

Science: Today, students used the TCI site to summarize information and wrote 2 CSET paragraphs connected to molecular structure. **UPCOMING:** Characteristic properties

HW: Finish classwork activity sheet (if needed).

Social Studies: Today, we discussed homework, talked about science fair projects, and learned that Galileo was brought in front of the Catholic Inquisition for being right.

HW: Research and write about the origins of Halloween. **1.Make a Claim! 2.Write a six-sentence paragraph to support the Claim. 3.List your source. *Let's try to list something different than Wikipedia.**

PORTFOLIO: Back Cover Essay rough draft was turned in to Mrs. Lupinetti on Friday - make sure that you have a rough draft to work on in Writing Class.
