

Odyssey Of The Mind Program 2018-19

Interest Meeting for Division 2 and 3 Teams

Tuesday October 9th 3:00 pm

Directly after school in the Information Commons

Schools or community groups form teams with up to 7 people. Each team chooses 1 of 5 problems to solve. These problems appeal to a wide range of interests: some are technical in nature, while others are artistic and performance oriented. They work within a budget, they will see there is often more than one way to solve the problem and sometimes that process is more important than the end result.

We are looking for creative individuals who love work on teams and enjoy performing. Each team is required to have an adult volunteer(s) to coach and mentor these teams. Also, anyone interested in being a judge to volunteer at the Regional & State Competitions please contact the Coordinator!

Any questions, please contact the Coordinator, Betsy Kirschner:
