

Dear 2019 Splash Camp & SACK Camp Families,

We are excited for your child to start camp with us this summer.

1. Camp includes an hour of pool time: 30 minutes of structured swim lessons and 30 minutes of recreational play so they can practice their water skills.
2. We usually have a water safety discussion or activity and there is time scheduled for Arts & Crafts and physical fitness and socialization outside of the pool. We provide a snack. If your child has any allergies, please pack their snack and notify us.
3. Please sign your child in AND out every day that you bring your child to camp and when you pick your child up.
4. If someone other than the guardian is NOT going to pick your child up, please notify us in advance, as we will NOT let your child be released.
5. Your child does not need to WEAR their bathing suit when being dropped off.
6. Please pack their suit and towel, sun visor/hat and sunscreen for when we go outside.
7. Please bring or wear sneakers or comfortable shoes that they can run and play in without rolling their ankles during physical fitness time.
8. We provide snacks to half-day campers. If your child is a picky eater, you might want to pack his or her own snack or drink. Again, ANY allergies of any kind, please notify the camp staff and ensure the information is on their Emergency Form.
9. Full-Day campers need to provide their own lunch and a blanket/sleeping bag/pillow/something cozy to relax on for reading time after lunch. (If your child has a favorite book they want to bring in and share with the group that would be great!)
10. Children should be picked up on time. Do not forget to sign your name when you pick them up!
11. If you have friends in town who want to come for the day, we only need an emergency form and the daily fee for them to attend.
12. We want the camp to be a positive, enjoyable experience for you and your child.
13. If you ever have any questions, concerns, issues or ideas, never hesitate to bring them to the attention of ANY of our staff members and ALWAYS to the Coordinator: Maria Edgerton Reed.

Thanks for choosing US to teach your child water safety and for allowing us to provide an educational, safe, fun, positive summer experience for your family!

Sincerely,

Maria Edgerton Reed
