

9/28/21 SA PTSA Board Meeting

Treasurer's Report - Carissa

\$8716 in bank account

Membership – we are at 28 and we really want to increase that.

Ann will create a draft letter how important it is to join, etc, and we can ask parents can let us know if there is anything they want more information about.

We can survey the parents to see if there is any topic they want covered during the monthly meetings.

We decided that general meetings will be second Wednesday of every month.

At the first meeting, Oct 13th, maybe we can have as an agenda item that senior parents can come ready with questions, and Eric and/or Dr McBury can be present to answer them.

Carissa is setting up a store through Membership Hub, Ed can you put it on webpage?

Next year we will not want to end with so much money; here are some things we can spend funds on:

Identified Needs/Wishes

\$2500 for speaker system so it can reach out to sports area, but this has been covered through generous donations from several families

\$1500 to sponsor a student for the Class of 2022 Senior Trip

Mini grants for teachers

Things for us to do in the Fall Semester

Putting on a dance – maybe springtime depending on Covid

Pie sales fundraiser via Parsons Farm Dates ?

Eric mentioned that he would like us to develop a bank of volunteers whom we can tap for for various activities.

There are some informational handouts/flyers regarding Redner's, Amazon; we can email those to Gina Derrickson along with meeting dates.
