Open Forum:

-John Kline asked how our Amazon Smiles account was set up. He stated there is an app you can put on your phone now to make it easier to donate to the PTSA. He gave Beth his phone number so he can give her all of the information and she will be handling the Amazon Smiles Account.

-Megan Nehrbas asked if the PTSA would be willing to do a flower/plant sale in the future. Beth will also make contact with Megan. Megan also wants to help with fundraisers and the uniform sale.

-Kelly Glessner also would like to help with fundraisers and brought up about making a t-shirt design and selling them for the PTSA. Carissa stated she would look into it and get back with her. Kelly also stated she has a small business and would be able to purchase uniforms to sell to the parents and she was directed to Gina because the PTSA has nothing to do with the purchasing of new uniforms.
