*Students at Sussex Academy may have the opportunity to participate in The Academic Challenge (AC) Program. AC was established in 1987 as a college-school partnership between the nine Sussex County School Districts and the Georgetown Campus of Delaware Tech. Qualified students are identified in seventh grade for the five-year program which offers the standard high school curriculum in mathematics and English at an accelerated pace allowing for college coursework during the junior and senior years of high school. All college courses are taught at the Georgetown Campus through Delaware Tech. It is possible to earn 12 college credits in English and 15 college credits in mathematics.
